2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Program outcomes, Program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in the website of the institution.

Student performance & learning outcomes are maintained and recorded by the examination committee of the college and individual departments. These outcomes are informed to the students by displaying them in the college notice board and to the stakeholders in the discussions of the meetings. Besides this, the marks scored by the students are documented and entered in the profile of the corresponding students by the University. For every program concerned department has defined objective, programme outcomes and course outcomes and they have been articulated by taking inputs and suggestions from all the stakeholders. Moreover, program objectives, program outcomes and course learning outcomes are categorically stated and displayed on notice boards and discussed in the class rooms as well as available in the college/university website.

The college offers three years Degree Course in B.A, B.Sc. and B.Com. in the disciplines of Economics, Education, English, Geography, History, Pol. Science, Nepali, Psychology, Sociology, Mathematics, Statistics and Computer Science.
